

# Lifetime Hunting and Fishing Licenses

With some background on lifetime hunting and fishing licenses, I'm Calhoun County Game Warden Mike Mitchell.

In *The Little Rascals*, Alfalfa once said, "You only meet your once in a lifetime friends... once in a lifetime." The same can be true of a hunting and fishing license.

Texas offers a variety of hunting and fishing license combinations, and these include a lifetime variant. Their revenue differs from normal licenses in that it goes towards an endowment fund, from which interest is used to acquire, develop, manage and repair hunting and fishing areas.

Consider a lifetime license if it might fit your goals. To learn more, call Texas Parks and Wildlife at (800) 792-1112 or see its web site at [www.tpwd.state.tx.us](http://www.tpwd.state.tx.us) .
