### Emergency app features

- **Before:** Short guides help you prepare for 13 hazards. Make customized plans and play games to practice critical preparedness skills.
- **During:** National Weather Service alerts are shown in the app and can be sent to your phone. Real-time weather maps and hurricane tracking keep you updated on storms.
- **After:** If a disaster impacts your location, you can easily find open Red Cross shelters and services available near you.

The Emergency app is free, available in English and Spanish, and designed with accessibility in mind.
